All Actions.

Case No. [22-cv-07557-PCP](#) (VKD)

**ORDER RE JUNE 18, 2025  
DISCOVERY DISPUTE RE CRAIG  
DEPOSITION**

Re: Dkt. No. 190

On July 1, 2025, the presiding judge issued an order dismissing plaintiff Crystal Craig's claims with prejudice and without conditions, concluding that Meta has not demonstrated that Ms. Craig's testimony is relevant to class certification or the merits of the action. *See* Dkt. No. 198. As Meta relies on the same arguments to support its demand for Ms. Craig's deposition in the parties' June 18, 2025 discovery dispute (Dkt. No. 190 at 5-6), the Court likewise denies Meta's request for relief.

**IT IS SO ORDERED.**

Dated: July 2, 2025

  
Virginia K. DeMarchi  
United States Magistrate Judge
